Area of learning: PE – Invasion and small ball games

Use running, jumping, throwing and catching in isolation and in combination

Play competitive games, modified where appropriate and apply basic principles suitable for attacking and defending

Compare their performances with previous ones and demonstrate improvement to achieve their personal best.

Exciting Europe

**Wow: End of year production
Residential trip**

Area of learning: Computing

We are app developers/marketeers

To become familiar with another programming toolkit or development platform

To import existing media assets to their project

To write down the algorithms for their app

To program, debug and refine the code for their app

To thoroughly test and evaluate their app

Area of learning: Music – Processes

Improvise and compose music for a range of purposes using the inter-related dimensions of music

Listen with attention to detail and recall sounds with increasing aural memory

Use and understand staff and other musical notations

Area of learning: Science – Keeping Healthy

Identify and name the main parts of the human circulatory system, and describe the functions of the heart, blood vessels and blood

Recognise the impact of diet, exercise, drugs and lifestyle on the way their bodies function

Describe the ways in which nutrients and water are transported within animals, including humans

Area of learning: PSHE

Visit to Mosque

Substance Misuse

To identify some drugs and which are legal and illegal and their effects

To understand the effects of smoking on your lungs and other physical problems caused by smoking.

To understand how to respond to peer pressure

To understand different situations we may find ourselves in and how to respond

British Values

Respect for democracy and support for participation in the democratic process

Respect for the basis on which the law is made and applies to England

Support for equality of opportunity for all

To understand about respect for and tolerance of different faiths and religions and other beliefs.

Area of learning: RE

Visit to Mosque

Does belief in Akhirah (life after death) help Muslims to lead good lives?

Learning to identify ways in which Muslims try to live good lives and how their belief in Akhirah influences this.

Learning to challenge stereotyping through understanding different Muslim interpretations of Jihad and how this links to getting to heaven.

Area of learning: DT – Cooking and Nutrition

Cooking a variety of dishes from different European countries

Understand and apply the principles of a healthy and varied diet

Prepare and cook a variety of predominantly savoury dishes using a range of cooking techniques

Understand seasonality, and know where and how a variety of ingredients are grown, reared, caught and processed

Area of learning: French

Understand the main points in a spoken story, song or passage

Understand longer and more complex phrases or sentences

Engage in conversations and perform them in front of others

Ask and answer questions

Read and understand the main points and some detail from a short written passage

Match sound to sentences and paragraphs

Write sentences on a range of topics using a model

Compare attitudes towards aspects of everyday life

Recognise and understand some of the differences between French and British culture

Develop the accuracy of pronunciation and intonation
