We would be grateful if you could complete and return the home school agreements, media consent forms and pupil information sheets as soon as possible so that we can update our records. Thank you.

Parents Information Evening

The school will be open from 3:30 today to give you a chance to say hello to your child's class teacher and pick up further information about the class. Mrs Brook will be on hand in Class R to provide information to reception parents about how phonics is taught. Refreshments will be available and at 4:15 Mrs Brown will give a brief presentation in the school hall. We hope to see you then. As this is a general information evening teachers will not be able to speak to you in detail about your child; please make an appointment if you would like more time to do this. Our formal parents evening is in October.

Lepra

This year we are supporting Lepra, a UK-based international charity working to beat leprosy.

This disease affects the most vulnerable people in the world, causing life-changing disabilities.

More than 600 people are diagnosed and start treatment each day, over 50 of these are children.

The fundraising drive will be launched on

Wednesday 20th September, and we would be very grateful if you could support this.

Please look out for the fundraising pack in your child's bag next week.
