

Thurgoland CE Primary School

Learning Together in Faith and Joy

Science Seasons and Materials

Distinguish between an object and the material from which it is made.

Identify and name a variety of everyday materials, including wood, plastic, glass, metal, water, and rock.

Describe the simple physical properties of a variety of everyday materials.

Compare and group together a variety of everyday materials on the basis of their simple physical properties.

Observe changes across the 4 seasons.

Observe and describe weather associated with the seasons and how day length varies.

History

Neil Armstrong and the Wright Brothers.

Learn about the lives of significant individuals in the past who have contributed to national and international achievements

Compare aspects of life in different periods.

Geography Weather Patterns

Identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles.

Year 1 Summer Space and Inventors

Computing

Illustrating a book

Create and change images on computers, create illustrations for a purpose

We are story tellers

Recording sound, collaboration, reflection

DT Aeroplane Models

Generate, develop, model and communicate their ideas through talking, drawing, templates, mock-ups and, where appropriate, information and communication technology.

Build structures, exploring how they can be made stronger, stiffer and more stable.

Select from and use a wide range of materials and components, including construction materials, textiles and ingredients, according to their characteristics.

PHSE

Feelings and Communication

Children will look at the feelings of others and themselves, and how certain situations can affect their feelings.

Children will think about communication and how to address peers and others.

Art
Joan Miro

In this unit the children will learn about the artist Joan Miro, inspiring them with colour, fun, dreams and nonsense as they create their own pieces of art. The children will learn about his drawings and draw on their own experiences to create a dream-like picture about their lives. The children will have the opportunity to print with different objects and materials to create their own artwork and will work with clay.

To use a range of materials creatively to design and make products.

To use drawing, painting and sculpture to develop and share their ideas, experiences and imagination.

To develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space.

About the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work.

Music
Exploring genres of music

Use their voices expressively and creatively by singing songs and speaking chants and rhymes.

Play tuned and untuned instruments musically.

Listen with concentration and understanding to a range of high-quality live and recorded music.

Experiment with, create, select and combine sounds using the interrelated dimensions of music.

P.E.
Real PE and Athletics
Balance, Agility and Coordination

Master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities.

Participate in team games, developing simple tactics for attacking and defending.

Perform dances using simple movement patterns.

Athletics:

Children will prepare for sports day participating in a variety of athletic events.

Real PE:

John and Jasmine learn to juggle: Coordination with equipment.

Pirate Pranks: Static balance, one leg standing

Wendy's Water Ski Challenge: Counter balance in pairs

Journey to the blue planet: Dynamic balance to agility

Food Technology
Healthy Eating – Sandwich Making

To develop understanding of food groups and healthy eating.

To develop cooking techniques, using a variety of utensils safely and preparing food.

RE

Judaism:

Children will explore Judaism faith looking closely at Shabbat and Chanukah.
