E-Safety week Monday 15th October

On Wednesday 17th October we have arranged an e-safety workshop for parents at 6pm in the school hall. Please try to attend. It is so important that we work together to safeguard our children, particularly those who have access to mobile phones, tablets and games consoles. The children will also be taking part in e-safety workshops throughout the week.

Sheila's Sporting News

This week's newsletter may be short in content but is massive in my praise for our young sports' stars.

Again this week attendance at our early morning Hockey Club has increased for both Y5 and Y6.

I am in school soon after 7.30 am and some enthusiastic players have been arriving at 7.45. This is so fantastic; thank you to everyone involved with the dubious task of waking, feeding and transporting these children to Club each week.

As always the format of training is a dynamic warm-up, a skills session followed by a match. The young superstars execute the drills with skill and enthusiasm and by the time the school bell goes they are all wide awake and raring to go.

Well that's my take on it anyway...

Class 2 upwards are learning fantastic ball skills in their basketball sessions and the older groups are really getting the hang of shooting.

They all realise that a little tweak here and there can make a terrific difference to their game. Well done you amazing superstars!

Sports' Leaders lessons for Y6 are on-going and the maturity in their discussions is brilliant .

Not long now until external sporting events take place and I have no doubt that our children will be great ambassadors for our school.

Team Thurgoland will shine on!
