### **Sheila's Sporting News**

Our return to school after half-term has seen a change in the weather but definitely no change in the enthusiasm of our emerging hockey teams.

On Wednesday we had 13 Y5 pupils, a great mix of both boys and girls, who turned up bright and early in very wet and windy weather to learn how to take their game to another level. They played with spirit and good humour. It's a joy to see just how far they have come since September, playing well both individually and as a team.

Having played in many different positions each child is now confidently finding just where he or she is best placed on the pitch.

Such is their maturity within the team. Thursday's club for Y6 will no doubt follow suit.

I am really proud of each of our superstars as they go from strength to strength.

On Friday we shall again take a coach of children to Cannon Hall where they will take part in the qualifying Cross Country competition of The School Games. The finals take place in a mini Olympic-styled event at the end of the school year in Sheffield. We wish them well as in addition to it being a challenging run, the weather does not look very favourable.

After school on Monday a selection of our pupils will take part in another Sportshall Athletics event at Penistone Grammar School, an event which is always enjoyed by everyone.

Good luck also to our mixed boy/girl football team who will be playing a match away from home at Springvale Primary School on Monday. Again many, many thanks to all you wonderful parents, grandparents and guardians who help with transport to these events; I know you enjoy seeing just how talented our young sports stars are; they too are thrilled to have your company. Team Thurgoland keep flying the flag; you are amazing !
