Learning Together in Faith and Joy

Sport Premium Grant

We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our young people.

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual census in January. All schools with 17 or more primary aged pupils will receive a lump sum of £16,000 plus a premium of £10 per pupil.

Sport Premium Grant Overview

Encouraging pupils to participate in and enjoy an active lifestyle is crucial to ensuring the health, well-being and achievement of our pupils.

At Thurgoland CE Primary we are committed to:

- develop skills and attitudes which are conducive to involvement in an active and healthy lifestyle.
- develop social co-operation and positive attitudes to compete with a sense of fair play.
- promote and develop safe practice in physical activities.
- provide all children, regardless of race, gender, background or ability the equality of opportunity to succeed in all areas of P.E.
- provide opportunity, through exciting and stimulating challenges, developing continuity and progression, for all children to achieve their full potential.
- develop confidence, tolerance and the appreciation of their own and others' strengths and weaknesses.

At Thurgoland CE Primary we have split up the funding by the three key areas for consideration; Physical Education, Healthy Active Lifestyles and Competitive Sport.

Swimming

All pupils in year 3 are given the opportunity to learn to swim over 2 terms.

For the current year 6 cohort of 34 pupils, 88% can swim over 25 metres confidently and proficiently. 88% pupils can use a range of strokes effectively and 88% pupils can perform safe self-rescue in different water-based situations.
